REMARKS:

Pursuant to the authority delegated by the Board on September 28, 2001 (D-4), right-of-entry permits were issued for beach activities in the past.

After discussion about different types of commercial activities and any associated requirements, staff brings the request to the Board for disposition. The form of disposition could be in form of a right-of-entry permit.

Applicant has not had a lease, permit, easement or other disposition of State lands terminated within the past five years due to non-compliance with such terms and conditions.

No comments were solicited from government or community agencies.

Maui's Original Hawaiian Corporate Games Inc. is requesting a right-of-entry permit for a team building event (Beach Olympics) scheduled for May 1, 2013 from 8:30 am to 11:30 am. Set-up will be at 8:00 am and break down by 12:00 pm.

The proposed activity is of a similar type and scope of beach activities that periodically occurred and continues to occur on this and other beach areas across the State. Such activities have resulted in no known significant impacts, whether immediate or cumulative, to the natural, environmental and/or cultural resources in the area. As such staff believes that the proposed event/use would involve negligible or no expansion or change in use of the subject area beyond that previously existing.

RECOMMENDATION: That the Board

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Authorize the issuance of a right-of-entry permit to Maui's Original Hawaiian Corporate Games Inc., covering the subject area for team building (various beach games) purposes under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:
 - A. The standard terms and conditions of the most current revocable permit form, as may be amended from time to time; and
 - B. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully Submitted,

Daniel Ornellas, District Land Agent
